FREEDOM TO A PRIVATE BUSINESS AFFAIR

*A Comprehensive Range of Rest-room Facilities
that Provides just the Solution Surpassing your Expectations.....*

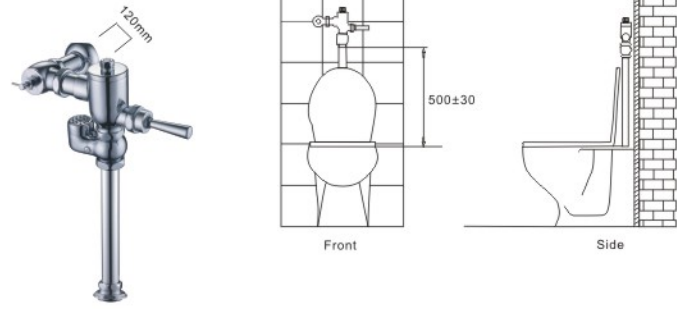

ANSPORN 3361AG

Exposed Urinal Flush Valve

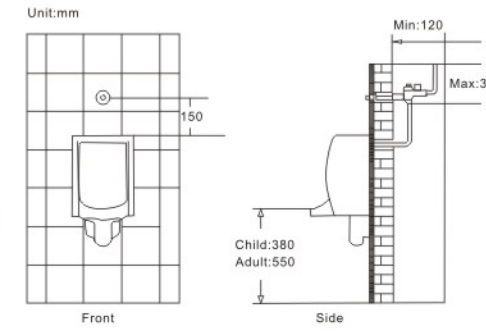

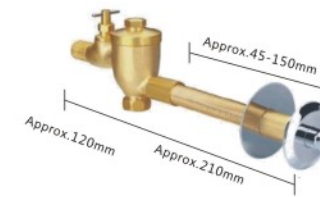

- Manual activated system.
- Adjustable flush volume(2.0-3.5L)
- Constant flush volume irrespective of water pressure.
- Pressure range from0.7-7bar Dynamic pressure.
- Straight/off-set pipe.

ANSPORN 3312AG

Exposed WC Flush Valve

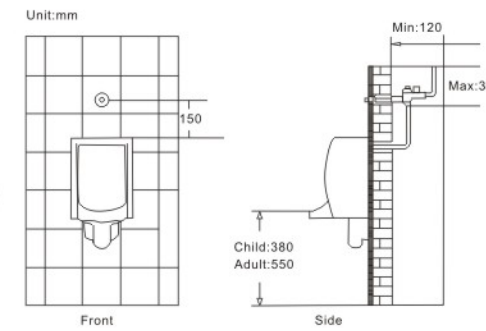

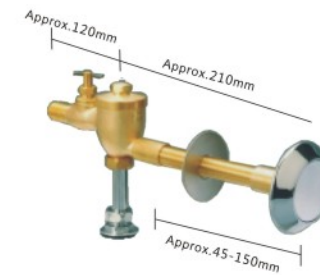

- Manual activated system.
- Adjustable flush volume(4.5-6.0L)
- Constant flush volume irrespective of water pressure.
- Pressure range from0.7-7bar Dynamic pressure.
- Vacuumbreaker.
- Straight pipe-150mm.

ANSPORN 3365AG

Concealed Duct Type Urinal Flush Valve

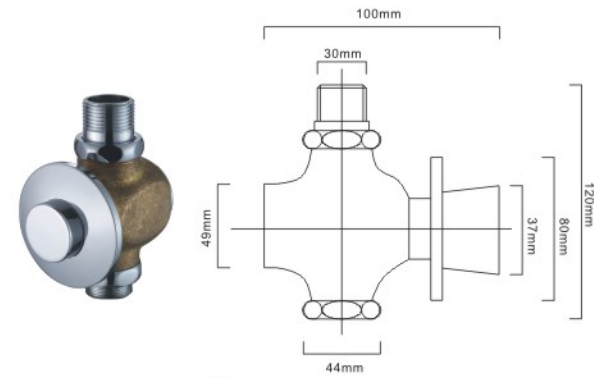

- Single press activation via 18mmØ push button.
- Adjustable flush volume(2.0-3.5L)
- Constant flush volume irrespective of water pressure.
- Pressure range from0.7-7bar Dynamic pressure.
- Concealed duct type for solid wall 45-150mm think.

ANSPORN 3367AG

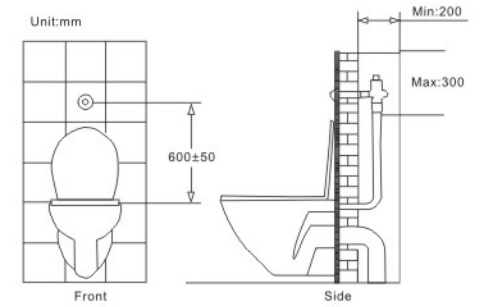

Concealed Palm Press Urinal Flush Valve

- Palm press activation via 60mmØ push button.
- Adjustable flush volume(2.0-3.5L)
- Constant flush volume irrespective of water pressure.
- Pressure range from0.7-7bar Dynamic pressure.
- Concealed duct type for solid wall 45-150mm think.

ANSPORN 3502AG

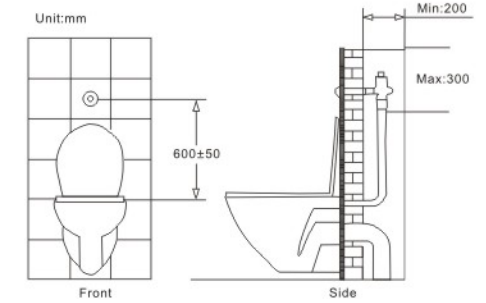

- Palm press activation via 60mm Ø push button.
- Constant flush volume irrespective of water pressure.
- Pressure range from0.7-7bar Dynamic pressure.
- Concealed type for solid wall 45-150mm think.

ANSPORN 3311AG

Concealed Duct Type Dual Flush WC Flush Valve

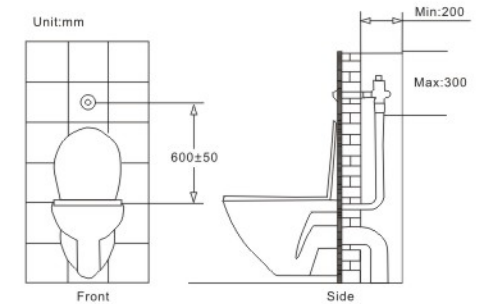

- Dual activation via 38mmØ push button.
- Adjustable flush volume(4.5-6.0L)
- Constant flush volume irrespective of water pressure.
- Pressure range from0.7-7bar Dynamic pressure.
- Concealed duct type for solid wall 45-150mm think.

ANSPORN 3316AG

Concealed Duct Type WC Flush Valve

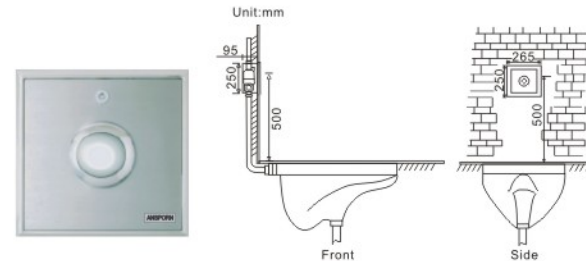

- Single press activation via 18mmØ push button.
- Adjustable flush volume(4.5-6.0L)
- Constant flush volume irrespective of water pressure.
- Pressure range from0.7-7bar Dynamic pressure.
- Concealed duct type for solid wall 45-150mm think.

ANSPORN 3317AG

Concealed Palm Press WC Flush Valve

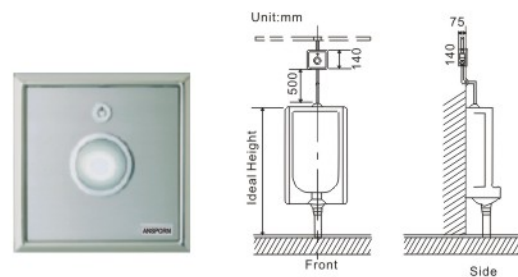

- Palm press activation via 60mmØ push button.
- Adjustable flush volume(6L)
- Constant flush volume irrespective of water pressure.
- Pressure range from0.7-7bar Dynamic pressure.
- Concealed duct type for solid wall 45-150mm think.

ANSPORN 3318AG

Concealed Box Type WC Valve

- Manual activated system.
 - Adjustable flush volume(4.5-6.0L)
 - Constant flush volume irrespective of water pressure.
 - Pressure range from0.7-7bar Dynamic pressure.
- Approx. size(mm) : 250(H)x265(W)x95(D)

ANSPORN 3368AG

Concealed Box Type Urinal Flush Valve

- Manual activated system.
 - Adjustable flush volume(2.0-3.5L)
 - Constant flush volume irrespective of water pressure.
 - Pressure range from0.7-7bar Dynamic pressure.
- Approx. size(mm) : 140(H)x140(W)x70(D)
